DEPARTMENT OF LIQUOR LICENSES AND CONTROL

## Liquor Control Processes Winery License Applications in 15 minutes with Online Service

The Department of Liquor Licenses and Control launched a new direct-to-consumer wine sales/shipping license, as directed under S.B. 1381, which takes effect Jan. 1, 2017. Licensees are able to **submit applications in as little as 15 minutes** using an on-line application tool and receive their license within one business day. As of December 2016, more than 70 U.S. wineries have benefited from this improved process.
