DEPARTMENT OF VETERANS' SERVICES

## Paying Bills Faster Helps Arizona's Economy

A large white downward-pointing arrow is positioned to the left of the text "64%".

64%

**AVERAGE TIME TO PAY INVOICES**

The Arizona Department of Veterans' Services, like all state agencies, is required to pay invoices within 30 days after receiving them. By examining and restructuring its bill paying method, the department was able to reduce by nearly two-thirds the average time it takes to pay bills. This means that money owed to vendors reaches them faster, which in turn supports Arizona's economy.
