## Reduction in Size and Costs of ADOA Fleet Saves Significant Costs

ADOA operates a fleet of more than 1,000 light duty vehicles for 53 state agencies. By collecting better utilization data, **ADOA's light duty fleet has been reduced by 137 vehicles resulting in over \$8.5 million in savings for the year.** These, and other best practices are being shared with fleet managers statewide resulting in the **reduction of 330 total vehicles from all agency fleet operations.**
